## Commission Plans Civil Service In City Charter

Many Changes in Charter For More Operating Power To Be Asked of Legislature

The semi-monthly business session of the City Commission, this week, was held Tuesday night instead of Wednesday, Williamsburg, just before the camped the Hurley trailer camp over on Northwest Second Street appeared before the Board and asked that permits granted to Hurley be transferred to him for the balance of his corporation license year. This request was granted. Mr. Johnson has already made many improvements on the camp site and has others in mind.

Upon the arrival of Superintendent Pennington and Commissioners, Rabin, authority was granted for the purchase of an Aerocar at heading title and other equipment. The new equipment is to be used for the building and patching of city streets.

George Royal and Rev. Leo- nard, who were invited by the Commission, as officers and representatives of the Inter-Racial Association. Mr. Royal stated that the City of Belle Glade had now 10 Negroes being born every new month.

That it was the intent of the Association which they represented to have a coming of age program at the Community Methodist church Sunday afternoon, April 10th, which would be of an inter-racial nature with representatives of both race participating.

Mr. Pennington, the city official commissioners to be special guests at this celebration. All past city Mayors and officials are to be extended a similar invitation.

Commissioner Dooley, of the Police committee, announced that the collections from the parking meters for the past two months had amounted to \$949.50. Payment of meter fees on a current basis. Eight new meters and a dozen new meter heads have been recently ordered.

The cigarette tax ordinance will be passed after a few slight changes had been made to meet requirements. Stamps will not be sold only to such wholesalers as are registered with the State Beverage Department.

From ten to midnight, the commission went into informal session to discuss proposed changes in the city charter which may be submitted by the coming Legislature. These suggestions are to give the City additional powers that it now possess.

## BLACKBIRDS SURE ARE PESTIFEROUS IN CORN

Jack and Harold Rubin have a field of sweet corn just coming up to the point where it furnishes delectable feeding for blackbirds—and they have the birds in plenty.

Jack may be subject to censure of the Animal Rescue League or some other outfit such as the Prevention of Cruelty-Treatment association because he fired his air pistol to scare only the field the party disturbed the blackbirds when they are busy feeding. But these particular birds would be known to the University of Florida Alumni Association at an annual meeting in Gainesville this weekend.

Florida's Commissioner of Agriculture, Nathan C. Miller, and State Senator J. E. Barnes will be made honorary members of the University of Florida Alumni Association at an annual meeting in Gainesville this weekend.

## DOGS PLAY HAVOC WITH JUDGE'S FANCY PIGS

Judge Tedder has come to be quite a substantial factor in the hog-raising business in the Glades. His breeding stock is pure Duroc Jersey and until recently he had been quite a drove of pigs coming on.

When he went to his pens early Monday morning he found several strange dogs around and without a deal of bidding and barking he had 30 of these pigs and 10 more in bad shape from bruises and cuts. Another drove of pigs of about 20 odd were found up and he was able to find only four or five of them.

The Judge was quite put off by his pigs and left one dog specifically to catch Oneida's life. The dog responded to the command and the pig didn't hit a vital spot.

Altogether, the Judge figures the dogs did away with about \$2500 worth of his pigs, if he sold them on the open market, he would have lost a great deal of money.

Other features of the Saturday morning business session will be an address by President J. E. Barnes and a relay race.

Several fraternities have scheduled special programs for returning alumni and Saturday afternoon a Relay race.

The main contractor was Don Hillier and Sons, of Pahokee, and sub-contractors for materials were the LaCrosse, The LaCrosse Electric Company, Plumbing, Glades Roofing, Cone Paint Co., Mathews Sign Co., of Belle Glade; Lovell and Paevy, Florida Fire and Sprinkler, Miami; Shirley Bros. of Pahokee; Miami Elevator Co., Nelson the painter, Pahokee and Sun City.

When the lights were flashed on in the new emporium, Saturday night, it set the block and stood off to what was illuminated like a million dollars, and looked like a modern building.

A group of men or city should be proud of possessing a great deal to offer the town, and a great opportunity to trade mark for this city.

The new building is located on the north side of the highway, between the 37th and 38th Streets, and the entrance is from the south side of the highway.

## Kahn & Gold Open Their Fine Store On Avenue A

Bringing About Consumption of A Dream House of Fifteen Years

A fine new business block and residence was opened to the citizens of Belle Glade and trade territory the past week to the laudable attitude of voters in State and local elections. This lack of interest is not helping commerce. Mr. Kahn, the department store under the official ownership and management of Kahn and Gold of Belle Glade, both long time merchandisers in the Glades area.

The fine new building and store will not be a hasty built project, but has been planned for many years.

## ALF NEILSON TALKS TO ROTARY CLUB

Alf R. Neilson, a Palm Beach County citizen who's made good in a State and National level as a business man as well as an efficient and energetic community worker, addressed the local Rotary Club on Friday on "The Trend of the Times."

A fine new business block and residence was opened to the citizens of Belle Glade and trade territory the past week to the laudable attitude of voters in State and local elections.

This lack of interest is not helping commerce. Mr. Neilson pointed out that 47,000,000 eligible voters didn't turn out to vote in the recent elections; he also pointed out the laudable attitude of voters in State and local elections.

The regular meeting of the Belle Glade Elementary PTA was held Monday evening, March 21. Invitations were completed to send to all parents and contractors to have Bell Glade PTA and assured that further success will be her goal in other localities.

The next meeting of the PTA will be held Monday night, April 4.

## Classes Plan!

## Vegetable Gardens

The members of second grade B and the sixth grade girls are learning how to practice the way about how the eating of proper foods aids the body in keeping itself healthy. They are doing more than just talk about proper foods. Each class has a plan of action. Here is one of the city upon which it has planted a vegetable garden. In addition to providing fresh vegetables for members of the class, the gardens will probably create a desire in the part of pupils for more home-owned gardens.

The second grade B class has also made headway in its work which are very colorful and contain many practical health rules.

## Nurse Murray Is Honored With Tea

On Sunday evening a testimonial tea was given at the West End Recreation Hall in honor of Miss Beatrice Murray, better known as Nurse Murray, who is retiring from her work.

Remarks were made by the heads of organizations, and a program of songs, and a dance was given with Mrs. Daisy Murrell acting as mistress of ceremonies.

In appreciation of the splendid work and sincere friendship which has been given by her to this community, many gifts were presented, among them a fountain pen and pencil set from the Belle Glade Housing Authority, a genuine alligator bag from the organization groups, and a travel clock from the nurses who have served her.

Nurse Murray has served the Glades area for the past five

years, serving in the Migratory Camps and surrounding cities. The many citizens regret to see her go, but she contracted to serve Bell Glade PTA and assured that further success will be her goal in other localities.

The next meeting of the PTA will be held Monday night, April 4.

See you Monday night, April 4.

HELEN JONES AND WARREN E. THOMAS EXCHANGE VOWS

In a beautiful candlelight service, Helen Edna Jones became the bride of Warren E. Thomas, at the First Baptist Church, Sunday March 20th at 4 p.m. She is the daughter of Mr. and Mrs. Howell E. Jones of Jacksonville, Fla., and the son of Mr. and Mrs. Leonard W. Thomas of Jacksonville.

The Rev. James P. Rodgers of Winter Haven performed the double-ring ceremony before an aisle of friends and well-wishers. Baskets of tuberose, calla lily, and fern were arranged in the church, and a small basket of white gladioli and fern attached to the end of each pew.

A bouquet of white gladioli was given by Miss Dorothy Newburn of Ft. Lauderdale, organist. "Intermetto" from the Opera "Amahl and the Night Visitors" was played. Rusticane, Love Me, Sweetheart, and the tradition wedding march. Miss Jean Martin sang "Because" and "I Love You Truly".

The bride, who was given in marriage, had her hair styled in a gown of candlelight bikini.

Bridesmaids bright with promise for themselves need look no farther. Be among those headed for positions of responsibility and distinction in every field of aviation. Miss Evelyn Jones was her maid of honor. She wore a tissue taffeta gown of pink fabric featuring a drop shoulder with deep cuff bertha that came points in the back. The same effect was carried out in the basque and front.

That was held in place with self fabric formed a painless hip treatment. The full skirt fell gracefully over crinoline.

She was a sweet, vivacious, youthful, maline, and short white nylon gloves. Her bouquet was of yellow roses.

Brides maids were the Misses Claudia Thomas of Groveland, Fla., Mrs. Wanda Yoder of Moore Haven, and Norma Weeks of Belle Glade. They all wore gowns identical to the maid of honor with each a different color, ice blue, light blue, pale yellow, pale pearl, and cameo mauve. Their bouquets were of carnations.

Miss Evelyn Harris, daughter of Evelyn and Mrs. Julius T. Harris, was flower girl and wore a gown of pink taffeta with straw bonnet, and silver sandals. She carried a basket of pink carnations.

Besteman was the bridegroom's father, Leonard W. Thomas, and ushers were Lynn Thomas, brother of the bridegroom, Charles Doll, Royce Lewis, and Ed Hickson, all of Jacksonville.

The mother of the bride chose a gown of champagne lace with bronze accessories and an orchid corsage. The bridegroom's mother wore rose beige crepe with matching accessories and a corsage of orchids.

The reception was held at the bride's home after the service.

Decorations were of white gladioli and fern, and the lace serving table was centered with the traditional wedding cake and punch bowls at each end. Pink roses and branched candelabra were on each side of the cake.

Assisting Mrs. Jones with serving the many guests was Miss Helen Stever, Mrs. Sue Schaefer, Mrs. Walter Schlechter, Mrs. George Williams, Mrs. Lee Hayman, Miss Myrtle Robeck of West Palm Beach, Miss Nedie Leader of Deland, Mrs. Charlotte Enlow, Miss Barbara Hayman was in charge of the brides book.

**Poultry Breeder's  
Chicken Of 1951  
Contest For New**

The 1949 Florida Chicken-of-the-Year contest will be held June 22, for both adult and junior breeders. In making the announcement, State Chairman N. R. Mehrhof, poultry historian and the University of Florida, reported that birds competing in the contest must be hatched the week of March 30.

"Goat of the new year program," Mehrhof said, "is a 1951 model chicken patterned along the lines of progress in the field of poultry breeding. The new bird, to grow faster, with still more meat, is being scientifically re-designed to bring increased commercial success in the same fashion that science has converted cattle, hogs and other food animals," he said.

Breeders and growers throughout the state are encouraged to help redevelop and produce the meatier bird—one with beefier drumsticks and extra meat of chicken meat. National and regional and national contests are scheduled from coast to coast, and \$10,000 in awards from the A. & P. Food Stores is awaiting breeders turning out the prize specimens.

"In my opinion, the Chick-of-the-Year contest is here today," Mehrhof said. "Birds judged at the national finals last June in Delaware, where a California hatchery won the top \$5,000 prize for its Corolla, were far inferior to the better meat-type chicken than consumers have had in the past. The main objective now is to spread and expand production of the meatier bird, so that more and more superior chickens will soon be reaching American dinner tables."

Each senior contestant will band 100 straight-run chicks, while 4-H Clubbers and Future Farmers participating in the junior division are required to start 50 chicks. All birds will be grown to the age of 12 weeks. Entry blanks and complete information about the contest are available from Mr. Mehrhof at the Poultry Department, University of Florida, Gainesville.

**Masonic Lodge To  
Lay Corner Stone of  
New Colored School**

The March meeting of the Master and Wardens' Association of the Belle Glade District was held at the hall of Okeechobee Lodge in Okeechobee, last Friday night, with a large attendance and a very interesting program presented, under the chairmanship of Lake Worth, presiding.

District Deputy Grand Master Irvin Heugland called upon all seven of the lodges represented for their reports and very interesting information resulted. The next session of the Association meeting will be a breakfast meeting during the grand lodge session in April. The master for the evening will be elected. The address of the evening was given by John M. Gledhill, of Old Erie Lodge, No. 3, of Warren, Ohio. The Master of the Masonic Lodge and the auxiliary will be made on the occasion.

The Association donated \$27 to the Grand Master's special hospital fund, and all nine lodges of the district have made their full apportionments and more too, to this most deserving project.

Acacia Lodge, of Stuart, one of the oldest lodges in the West coast is busy raising funds for the building of a new Masonic temple and over \$8,000 has already been secured.

**Golden Rams Will Play  
Ten Baseball Games  
In Its Schedule**

Coaches Cooke and Lewitt have completed the baseball schedule for the Golden Rams, with the opening home game at Memorial Field on April 1, with the Lake Worth Trojans, who usually have a pretty formidable team.

Coach Cooke will depend upon Tommy Williams and Farmer as his pitchers while Harlan will be in charge of catching the plate. The other positions on the team are pretty well cared for from among the ranks of the candidates in training.

The schedule as released is as follows: March 29, South Broward at Dania; April 1, Lake Worth at Belle Glade; April 8, Delray at Belle Glade; April 14, Eagle at Ft. Pierce; April 18, Clewiston, here; April 22, Delray at Delray; April 26, South Broward, here; April 29, Lake Worth at Lake Worth; May 3, Ft. Pierce, here; May 6, open.

**OBSERVATIONS.**

Continued from page 1  
to raise an abundant crop of vegetables this spring season. Had not this big source of water in the lake been available, the dryness of the season, would have spelled failure.

Some of the local cattle men such as Knight, Braddock and Creek, who have been engaged in getting that farms to contend with is the fast growing and threatening Maple grass, which is so common in the Glades, Creek says, that there is no expense involved, he knows but two ways to effectively get rid of it, one by digging it out, and the other turning cattle in to graze on it, and that the latter is the most effective way. The cattle eat the grass, and in getting to the green stems, they break it down and later trample it under foot, and kill it out. Stoddards had made of the instance, namely, a field lying east of the former Borchart road on the south Chosen road. A few years ago, this land was covered with a deep forest of para grass, the bottom being buried and snakes, but now is a clean, attractive piece of grazing land.

By the number of new people who are settling in Belle Glade, this city may be deemed a pretty good place in which to engage in mercantile business. Many new owners of groceries, dress shops and other businesses.

Joe Kahn of Pahokee and Joe Gold, of Belle Glade, are indeed to be congratulated on the fine business places which they have and the beautiful store which is occupying same. They took a gamble to show their faith in our city.

The women folk of Belle Glade are excited about what are the styles and various garments going to be this spring and summer. Most of them are making this Friday night a "big night" to go shopping to see the PTA style show at the school auditorium, in which local merchants will display, by pretty models, the latest things in women's dress wear. Better go and get an eye full of the "new look" designs and styles.

With the growth of the population of Belle Glade certainly growing as it is, and the additional work which the Commissioners need to do to keep things in the best possible health, the members of that body feel that they are entitled to an increase in salaries, somewhat commensurate with those drawn by the fee collecting officers. The commissioners prepared a bill to be presented to the Legislature for consideration which would give them \$6000 a year, instead of \$4200; and \$6600 for the chairman. Judge Robbins also says "Me too."

The members in attendance at the Board of Commissioners last week, were addressed by Assistant County Agent H. L. Speer, who chose to speak on the "Early Days and Developments of the Everglades". As

"Prof." is one of the old boys who have grown up from the pioneer days, he had a lot of information of greatest interest to relate.

Citizens and farmers who had been here since the State came into being with Messrs. Stoddard and Hoffman, regret very much that those experts have been transferred to other stations to take up work. Both had taken an active part in civic affairs. Both are men of high character, high type musicians and vocalists and their appearances on programs will be much missed. The Stoddards leave after July first.

The Commentators desk was honored by receiving an illustrated pamphlet from the Brook National League, which is having spring training at Vero Beach this season. It is a well

written and illustrated compendium of information concerning "Baseball on the Water". We read it from cover to cover with much interest and the gaining of much valuable information.

When is the coming softball season ending to get started? When is the new ball park at Paradise park going to be ready for use? These two questions are ones that the players and fans alike are fusing over.

Guess our farmers must have paid up their stumps to their preachers for some source of divine power, we have so far used many devastating frosts. Guess now all have to pray for some good rains.

Cleanliness is next to God, say the Holy Writ. That people might have clean healthy food handles and prepared in a sanitary manner and

then kept for later consumption.

It is one of the reasons why the State and County Health Departments are holding the series of Food Handling Shows.

The course of study presented is one of great value and the women of Belle Glade should not miss the opportunity of its value. Starting in theater, March 29-31, two classes a day of two hours duration.

**Commercial Fisherman**

Recent support of the Florida Wildlife Federation on three bills to be presented by the Florida Brotherhood of Fishermen.

1. Resident Commercial Fishermen shall be licensed at \$5.00 per year; and that alien or out-of-state Commercial Fishermen shall be licensed at \$50.00 per year.

2. Sport Fishermen shall be licensed at \$1.00 per year and

that a reasonable bag limit be

imposed.

3. The 6 cent gasoline tax on gas used in Fishing Craft shall be removed.

Mr. Cooley agreed that his organization would support these measures.

It is now apparent that the Florida Brotherhood of Fishermen and the Florida Wildlife Federation will stand solidly together in the purpose of bringing about real conservation of our salt water resources.

The body was taken to Berry Funeral Home and services were held Monday morning. Survivors include his wife, Myra Knight of Kissimmee, a son Louis who is a member of the United States Marine Service, two daughters, Mrs. George Bender of Belle Glade and Mrs. Katie Cannon of Hialeah.

Mrs. Sheffield Honored  
With a Stark Shower

Mrs. Amy Strickland presided at the Bella Glade Grove of the Supreme Forest Woodman Circle at the Benevolent Hall.

The group voted the sum of \$5,000 to the Benevolent Sherman, Texas, Plans were laid to send Mrs. Annie Barlow to the State Convention at St. Petersburg in April as delegate from the Bella Glade Grove.

Following the success session a surprise stork shower was given in honor of Mrs. Walton Sheffield. A beautifully decorated room was filled to overflowing with lovely gifts that was presented to the honored mother, Mrs. Sam Burns. After the gift display, devil's food cake and coffee were served to all members.

Decorations for the shower were the work of Mrs. Sam Burns and Mrs. Amy Strickland.

Into School Bus  
At Lake Harbor

The County Line School bus driven by William L. Williams had a narrow escape from serious consequences recently as when he stopped to pick up school children on the main highway No. 91, a mile west of Lake Harbor, he was hit by an out of state car driven by Samuel Robbin, of Chicago, Ill., rounded a curve in the highway at such high speed that he was unable to stop when he saw the school bus had put on the brakes but the passenger was thrown from an early morning rain and the car skidded, side-swiped the bus and narrowly missed two children who were waiting to get on the bus.

The accident was investigated by Deputies Sheriff Gibb Gross and State Trooper Patrolman Walton Sheffield. Patrolman Sheffield estimate the damage to the bus approximately \$20.00 and to the Chicago car \$75.00. Fortunately no one was hurt and the bus continued under his own power to South Bay and thence to the Belle Glade High School with school pupils.

Robbin was taken to West Palm Beach where he was charged with reckless driving and fined \$25.00 by the judge of the Criminal Court.

## More Profitable Farming!

Our real business isn't just selling tractors and implements. What we actually have for sale is more profitable farming... Less Work, More Income Per Acre."

The only way we can make money is by helping you and other farmers make more. So when we get together, we both interest is in the same thing.

The better we know you and the more we know your farm, the more likely it is that we can offer some real service to you. So, if we haven't been around to see you lately, we'll try to make it soon. It ought to pay us both to get better acquainted.

And, when you come to town, stop in. We'll be glad to see you.
